A.2.a. ISSUE OR DEFECT WHICH THIS MCCP / OCCP SEEKS TO ADDRESS
<p>In order to assist Scottish Water with the number of Gap Sites which it will be required to process, a number of minor modifications will be made to Form M of the Operational Code.</p> <p>Licensed Providers will be asked to provide Scottish Water with the “banner name” of the premise. Banner name refers to the trading name which the non-household customer would use on signs indicating the premise as opposed to the customer’s legal name or the name on its bill. In general, banner name is the name Scottish Water’s field operatives should look for when trying to identify the premise. For example, a banner name would be McDonalds as opposed to the name of the franchisee.</p> <p>For Gap Sites located through the CMA’s portal, Licensed Providers will be asked to provide the UARN references.</p> <p>The requirement to provide contact details for the site has also been clarified. Licensed Providers should endeavour to provide contact details for all Gap Sites.</p>
