A.1.h. REASONS FOR
URGENCY

The CMA CEO will review this information and make a decision as to whether to take this MCCP / OCCP forward as urgent as defined under Market Code Part 8.9.1

A.2. M CCP / OCCP DETAILS		
A.2.a. ISSUE OR DEFECT WHICH THIS M CCP / OCCP SEEKS TO ADDRESS Required under Market Code Parts 8.7.1 (ii) (b) and 8.8.1 (ii) (b)		
<p>The current arrangements under the Market Code allow for Self-Suppliers and Specialist Suppliers to register SPIDs and for SPIDs to be transferred in to, or out from, such Suppliers. In addition, CSD0302 provides for such Suppliers to receive the full MDS, in a similar manner to other Suppliers. Commensurate with current MDS arrangements, all LPs can search on all SPIDs, or sub-sets thereof, via the LVI SPID Search and SPID View pages, or via the RA pages.</p> <p>It is understood that one or more Self-Suppliers may soon become Trading Parties and this M CCP seeks to review the above arrangements and proposes changes to better reflect the status of Self-Suppliers and Specialist Suppliers.</p> <p>Reporting Changes. This proposal seeks to make no changes to the roles and responsibilities of any parties, but does consider that it might be appropriate to limit the visibility of data to Self-Suppliers and Specialist Suppliers. It also includes a process for highlighting to the CMA instances where a SPID may be allocated to, or transferred to or from a Self-Supplier or Specialist Supplier, via suitable messages and reports.</p>		
A.2.b. DESCRIPTION OF THE NATURE AND PURPOSE OF THE M CCP / OCCP AND HOW IT MEETS THE MARKET CODE / OPERATIONAL CODE OBJECTIVES AND PRINCIPLES FOR THE MARKET DOCUMENTS Required under Market Code Parts 8.7.1 (ii) (c) and 8.8.1 (ii) (c)		
General Description		
<p>This proposal seeks to modify CSD0302 to limit the visibility of MDS data to Self-Suppliers and Specialist Suppliers, such that these types of LP only see data that pertains to their organisations. This limitation would also be extended to the LVI more generally.</p> <p>This proposal also includes a reporting facility for the CMA to ensure that the CMA is made aware of any allocation of a new SPID, or the transfer of an existing SPID that involves a Self - Supplier or Specialist Supplier.</p> <p>NOTE: A minor correction to CSD0301 is needed for the 'F' Cancellation Code, as its full description currently implies that it may only be used by an Outgoing LP, although this is not the case.</p>
