

CMA Bulletin

To: CMA MEMBERS
No: BU083
Title: Software Release v3.1
Purpose: For Information
Expiry date: 11 November 2011
Attachment: HVI Changes Document and LVI Changes Document
From: Gary Craig
Date: 1 November 2011

This Bulletin is to inform Market Participants that the new Central Systems Software version 3.1 will be released to the Central Systems Production Environment on Thursday 10 November after the Market closes.

The Market will close prompt at 17:00 to facilitate the Release and will open as normal at 08:00 on Friday 11 November.

The Release Schedule is as follows;

- **Promotion of Release v3.1 to the Central Systems**

The upgrade of the Central Systems to Version v3.1 is scheduled across the various CMA environments as set out below.

Environment	Release Date	Available for use
Production	Thursday 10/11/2011	Friday 11/11/2011
CMA Test Environment	October 2011	October 2011
Scottish Water Test Environment	To be agreed with SWW	To be agreed with SWW

Accompanying this Bulletin in the place of a single Software Release Note are two documents outlining in detail the changes included in the Release. The HVI Changes Document contains all of those changes pertaining to the HVI and the LVI Changes Document outlines all of those changes pertaining to the LVI.

If you have any questions please do not hesitate to get in touch.

Regards

Gary
