Expiry date: 29/09/2017
Attachment: Software Release Note
From: Andrew Morris
Date: 18/09/2017

This Bulletin is to inform Market Participants of the September 2017 Software Release. The new Central Systems Software, version 4.7, will be released to the Central Systems Production Environment on **Thursday 28 September 2017** after the Market closes promptly at 18:00. The Market will open as normal at 08:00 on Friday 29 September 2017. The new SLP Software, version 1.1, will be released to the SLP Production Environment on **Thursday 28 September 2017** in the afternoon around 2pm, as soon as this deployment is complete the SLP will be available again.

Accompanying this Bulletin is the September Software Release Note. This contains details of all the changes being delivered.

Please note we will also be updating our ftp setup to secure ftp on the night of **Thursday 28 September 2017**. Once this change has been made you will no longer be able to connect and download documents via the current ftp arrangements. The new setup is available now to test on CMAT2.

If you have any questions please do not hesitate to get in touch.

Regards

Andrew
