

CMA Bulletin

To: CMA MEMBERS
No: BU158
Title: Software Release v7.2
Purpose: For Information
Expiry date: NA
From: David Candlish
Date: 21 March 2023

This Bulletin is to inform Market Participants of the March 2023 Central Systems Software Release (v7.2). The new Central Systems Software version will be released to the Central Systems Production Environment on Thursday 23rd March 2023 after the Market closes promptly at 18:00. The Market will open as normal at 08:00 on Friday 24th March 2023.

Accompanying this Bulletin is the v7.2 Software Release Note. This contains details of all the changes being delivered.

This release introduces a new Medium Volume Interface (MVI) which will allow T003.1, T005.1 and T032.0 transactions to be bulk uploaded / submitted to the Central Systems. To be able to access this interface, a user will first need to be granted the new MVI Submit Transactions security function, which can be requested by a Delegated Authority.

If you have any questions, please do not hesitate to get in touch.

Regards,

David
