

CMA Bulletin

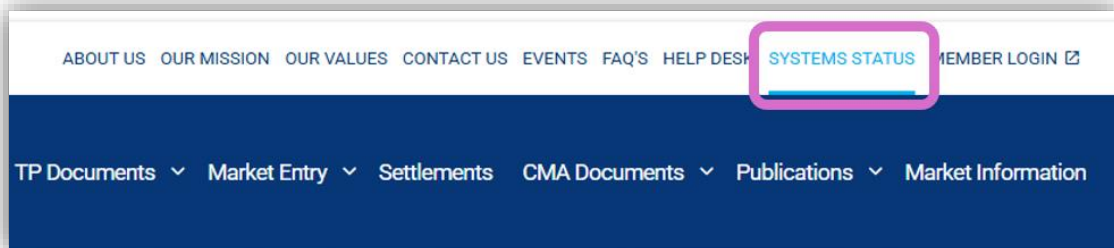

To: CMA MEMBERS
No: BU171
Title: System Status Page
Purpose: For Information
Expiry date: 17th September 2025
From: CMA
Date: 17th September 2025

Dear all,

As part of the September 2025 Release, we have successfully introduced a new *Central Systems Status Page* on our website. The new page is now live, and can be accessed by any user looking for an update on system availability, or to check for any planned Central Systems maintenance.

You can access the page via:

- Direct URL: <https://www.cmascotland.com/systems-status/>
- The “**Systems Status**” link in the top navigation menu of the CMA website as shown below.

There has been no impact or downtime to the CMA website as a result of this change.

If you have any questions in relation its functionality, please feel free to reach out to us via the normal enquiries mailbox (enquiries@cmascotland.co.uk).

Many thanks

CMA Scotland
